

## CONTRACT RALLY AUG. 13

**JOIN US AS WE FIGHT FOR A CALIFORNIA FOR ALL AND JUSTICE FOR WORKING FAMILIES**

On August 13, Local 1000 members from all over the state will rally at the State Capitol to tell the State of California, the Legislature, and our communities that we are coming together to make California a place for all of us. Over the past month, our bargaining team has presented proposals based on the input of our members that address issues including health care, housing, retirement, working conditions and a living wage.

A California for All includes justice for working families, and it starts with us!

**Tuesday, August 13 • 11 am • West Steps, State Capitol**  
**RSVP online at [seiu1000.org](http://seiu1000.org) or call 866-471-7348**  
**Out-of-town bus transportation available.**

## WHAT A GOOD CONTRACT MEANS TO OUR MEMBERS

**“A good contract means that I will not be too overwhelmed with work; that I can spend stress-free time with my family. It also means that I can be a better employee and member of my community.”**

**Sherry Gibbons, Unit 4**

**“For my spouse and me, a good contract means we could buy our first home. It’s perfect for us, but maintenance and updates on a 116-year-old house will need commitment and steady, reliable income.”**

**Cari Williams, Unit 1**

**“As a single mom, a good contract means I can fully support my two children without assistance. It means stability and a better life for them, which is my main goal as a parent. ”**

**Megan Meadows, Unit 4**
